

TWEEDMOUTH - 9TH OCT & HEXHAM - 16TH OCT 2017

# Digital Leader Hub

Northumberland ICT Team

**The Digital Leader initiative is a fantastic way to embed the use of technology in your school while giving your pupils a fantastic opportunity to share their passion for technology with others.**

In October 2016 we hosted our first Digital Leader Hub for around 100 pupils in Blyth. This year we will be hosting events in Hexham and Tweedmouth. This is a brilliant way to begin your Digital Leader programme. Pupils will take part in a range of activities, collecting ideas and learning new skills to use back at school. They will also have the chance to collaborate with pupils from other schools and establish links to continue learning from each other throughout the year.

*To find out more about the event go to [ngfl.northumberland.gov.uk](http://ngfl.northumberland.gov.uk) or email [jennifer.harris@northumberland.gov.uk](mailto:jennifer.harris@northumberland.gov.uk)*

1

## CONTACT

[jennifer.harris@northumberland.gov.uk](mailto:jennifer.harris@northumberland.gov.uk) to register your interest in the event.

2

## RESEARCH

Find out how Digital Leaders can make an impact in your school at [ngfl.northumberland.gov.uk](http://ngfl.northumberland.gov.uk)

3

## RECRUIT

your Digital Leaders by asking them to apply for the role. We can help with resources and ideas for the process.

### Digital Leaders gain key skills.

Collaboration, problem solving, perseverance and confidence.

### Digital Leaders lead.

Pupils advise as to how technology should be deployed in their lessons.

### Digital Leaders teach.

Supporting and encouraging both peers and members of staff.
